

BEYOND LEGAL COMPLIANCE: RESEARCH-BASED STRATEGIES IN THE PREVENTION OF SEXUAL VIOLENCE ON COLLEGE CAMPUSES

Featuring John D. Foubert, Ph.D., a noted expert in the field of sexual assault prevention. Dr. Foubert's rape prevention programs have been used by countless universities, state health departments, and military units worldwide. This engaging, day-long workshop will assist participants in implementing effective sexual assault programs on their campuses.

Learning Objectives:

- Recognize the characteristics of rape perpetrators
- Identify key characteristics of people who are often targeted by rape perpetrators
- Learn about helpful elements of an effective rape prevention program and risk reduction program
- Learn practical details in implementing a rape prevention or risk reduction program on your campus
- Learn how to present a workshop about PTSD to those involved in sexual assault hearing boards, as well as to other key campus personnel who would benefit from training
